Hi Celeste,

Thank you for the list. I wanted to advise that each location is on schedule for 1x per week service when we are in the area. I will go thru the list you have sent to advise you of their service dates.

It was reported to us by the service driver that the (2) units located at the Slauson Swamp Meet were stolen last week.

Another was also stolen from [2330 Beverly Blvd](#)- Homeless Healthcare Housing & Outpatient treatment center.

Hi April,

Attached is a spreadsheet listing the locations of hand wash units with low water and soap levels which need to be replenished.

The locations were assessed today, April 2, 2020. Please let me know if you have any questions.

Thanks!

Celeste
